

# AGFE February Spotlight

## YTP Wins Gold Prize at Wharton-QS Reimagine Education Awards

"The Al Ghurair Young Thinkers Program is an inclusive program that offers personalized offerings to students. I congratulate the team for their great efforts in ensuring the program grows dynamically. I highly commend their continuous efforts in seeking feedback from their users and partners to deliver value that our youth really need."

-Asma Al Hamed, Senior Executive, Dubai Future Foundation

### What is the Reimagine Education Award?

An annual award that rewards innovative approaches that enhance student learning outcomes and employability.

AGFE's Young Thinkers Program (YTP) was showcased at the Wharton-QS Reimagine Education Conference and Awards. Bringing together thought leaders to discuss the future of higher education teaching and learning. It is known as the 'Oscars' of education.

YTP won in the Best Online Program category out of 1,200 shortlisted international applicants. Enjoy YTP's explanatory video here.

**Quacquarelli Symonds (QS)**, best known for developing the first university ranking system in the world, is a global service provider that aims to empower people around the world to fulfill their potential through educational achievement, international mobility, and career development.

**The Wharton School of the University of Pennsylvania** is the world's first collegiate school of business, recognized globally for intellectual leadership and ongoing innovation across every major discipline of business education.

### What is YTP?

YTP is a digital university and career readiness program purposefully designed to meet the needs of Emirati and Arab youth. It offers over 30 transferable skill development courses, a localized psychometric career exploration tool, and live advising.

AGFE designed and launched YTP in 2018. The platformed is powered by Arizona State University and endorsed by the UAE Ministry of Human Resources and Emiratisation.

Web and mobile based application
